Standard Book Numbers: 0-87779-101-5 (blue Sturdite) 0-87779-103-1 (2 volumes, blue Sturdite) 0-87779-106-6 (Imperial Buckram)

an unbroken running surface to wheels using the main track but operating also to permit the passage of trailing wheels from a diverging track spring ring n : PISTON RING Springs pres 3d sing of spring, 10 springs of Springs | Union of South Africa | of the kind or style prevalent in Springs | Union of So. Africa | of the kind or style prevalent in Springs | Spring samon n : KING SALMON Spring saxifrage n : EARLY SAXIFRAGE | Spring scale n : a scale in which the weight indications depend upon the change of shape or of dimensions of an elastic body or system of such ibodies spring scorpion grass n : EARLY SCORPION GRASS |
Spring Set n : an arrangement of saw teeth in which alternate teeth are spring to the right and left to make a saw kerf wider than the thickness of the blade spring snown a : CORN SNOW spring snowflake n : a snowflake (Leucolum vernum) with solitary very fragrant green-tipped white flowers borne in spring spring starflower n : a spring-blooming onion-scented Argentine herb (Sphelon unifora) of the family Amaryllidaceae that is often cultivated (or, its bluish white flowers spring stay, n : 1 : a heavy wire rope running horizontally between the mastheads of a schooner 2 : an auxiliary stay.

Spring steel n : a steel that is processed (as by cold drawing, cold rolling, or heat treating) to give it the elastic properties and yield strength useful in springs

spring switch n : a switch consisting of a pair of split switch points held in running position by a stiff coil spring and designed to return to that position after being thrown over by trailing wheels from the diverging route spring switch n : a temper induced in steel to increase its upper limit of elasticity by handening and tempering in the ordinary way and then reheating until the order Collembola : COLLEMBOLAN 2 : the furcula of in the ordinary way and then reheating until the steel assumes a bright blue color; also : a similar temper produ

near the point to give a slight spring that makes possible a light finishing cut spring tooth n: a flat coiled steel tooth (as on a cultivating or weeding machine) that digs deeply but springs backward on striking an obstruction. Spring tooth of the spring tooth pleament spring-tooth harrow \'s. \'or spring-tooth drag also spring-tooth n: a harrow with spring teeth

teeth spring training n: a period usu, beginning on March 1st and extending, until opening day that, is used, by professional esp, major league baseball teams for conditioning, practice, and exhibition games spring-trip hell variable.

processional esp. major league baseball teams for conditioning, practice, and exhibition games spring-trip hoe \\ '.=\\ n : a grain-drill furrow opener equipped with a spring hoe spring vetch n : a vetch (Vicia sativa) spring wetch n : a spring-actuated vise 2: a vise for compressing springs with nodding, racemose, violet-blue flowers spring wagon n : a light wagon equipped with springs and formerly common on farms and ranches (the spring wagon the boys used for hauling salt to the cattle —F.B. Gipson) spring washer n : an elastic washer; esp : a strong flat spiral spring-of one or two turns that is sharp-edged at the ends and used as a nut-locking device — compare LOCK WASHER springwater \\ '** \ n \ ' spring + water \]; water from a natural spring — compare RAINWATER, SURFACE WATER spring-well \\ '** \ n \ ' spring + water \]; spring well \\ '** \ n \ ' spring + water \]; spring wheat n: wheat that is sown in the spring and harvested in late summer or fall springwood \\ '** \ n \ ' 1 \ ' the portion of each annual ring of wood that develops largely early in the growing season, and is softer, more porous, and lighter in weight than the adjoining summerwood because of its higher proportion of larger and thinner-walled cells — called also earlywood; compare SUMMER-wood \(2 : a thicket of young trees springwort \\ '** \ n \ ' a root held in European folklore to have magical properties

springy \springe, ini\ add \ ER-EST [**spring + ..., 1 a bound treacherous ~ country — Jeannie Gunn) 2 a : having an elastic quality: eapable of springing back to its original shape after deformation (made crossbows from the ~ horn of the musk ox — Farley Mowat). b : having or marked by lightness and vigor of movement (a ~ fellow, well set; up — Amy Lowell) (a fine figure of a man tall, lithe, and safle, with a step — A. Conan Doyle) C: lively and resilient underfoot particles, (it sprinkled with heat had ling an

(AV)) 2: to rain lightly in scattered drops (it began to ~)
2sprinkle \(^\^\) n - 3 1 a ; the act or an instance of sprinkling
(the ~ and trickle filter 'treatment of sewage —Building,
Estimating & Contracting); specif : a light rain (a brief ~ that
hardly wet the ground). Dissomething tunnel into a ~ of
spassly did houses —Katherine Mansfield) (gathering field
peas or the last ~ of late cotton —Frances Gaither) 6: a
small particle intended or suitable for sprinkling — usu, used
in pl. (covered it with chocolate ~ Evan Hunter). 2: a
motited color effect

Sprin.kler \(\) 'sprinkle + and 1 : a
machine or device for sprinkling; as as a chiefle a ra
attachment to a vehicle for sprinkling; as a can chiefle a ra
attachment to a vehicle for sprinkling; as a can chiefle a ra
attachment to a vehicle for sprinkling; as a can chiefle a ra
attachment to a vehicle for sprinkling; as a can chiefle a ra
attachment to a vehicle for sprinkling; as a can chiefle a ra
attachment to a vehicle for sprinkling; as a can chiefle a ra
attachment to a vehicle for sprinkling; as a can chiefle a ra
attachment to a vehicle for sprinkling; as a can chiefle a ra
attachment to a vehicle for sprinkling; as a can chat sprinkle
sprinkler file and rot b one that sprinkles; as a can chat sprinkle
sprinkler file and rot b one that sprinkles system that is
mine with water to prevent explosions 6: a laundry worker
who uses a sprinkler to dampen clothes for ironing 3: one
that believes in baptism by aspersion rather thick and consprinkler head a: the outlet of a sprinkler system that is usu.
a valve held closed by a strut having separable parts joined
with solder of a predetermined melting point (as 160°F.) that
fuses when exposed to fire temperatures and allows the head to
open or by a quartz bub containing a liquid that expands
with solder of a predetermined melting point (as 160°F.) that
fuses when exposed to fire temperatures and allows the head to
open or by a quartz bub containing a liquid that expands
when head can be contained to the contai

plant: RUSH 3: a fine speck in unbleached linen—usu, used in pl.

sprite \(^1\sprit\), usu -id + \(^1\) \(^n\) -s [MB \) sprit, fr. OF esprit; fr: L spritus—more at \(^1\) sprit \(^1\) -P.B. Shelley\) b: a disembodied sprit: GHOST, SHADE (little ghost \(^s\) of dust sprang up and danced across the shimmering plain—Francis Birtles\) 2 a: ELF, FARPY (the witch, the \(^s\), the goblin—where are they \(^{-1}\!A. Poe\) b: an elfish person (he was a tricksy.\(^{-1}\!Cor whom stone walls did not a prison make—Douglas Bush\) 3 or sprite crab: SAND CRAB b

mother cell spronts or 'spraudo-o(r), -auta-\n -s : a device for germinating grains (as oats) for feeding livestock spront forest n': a forest consisting of trees grown from root or stump suckers spronting n-s 1: the act or process of one that sprouts 2: a new growth or shoot: sprouting fras n': an annual grass (Panicum dichoronulforum) found chiefly in the southern U.S. that roots much at the lower nodes sprontland \\'\sigma_s\n' \text{ an area covered by a sprout forest sprontling \'\spraudilip.-\text{len} n' -s: a small sprout or offshoot \((a \sigma of the giant tree \to William Beebe) \(\) (his little \sigma of the giant tree \to William Beebe) \(\) (his little \sigma of the giant tree \to William Beebe) \(\) (his little \sigma of the and widely cultivated for ornament b: the light soft moderately strong wood of the spruce tree that is less resinous than pine and is used esp. for timbers, millwork, and musical instruments \to compare Fir C: any of several other coniferous trees (as the Douglas fir) 2: a variable color averaging a dark grayish green that is bluer and stronger than average ivy, bluer and darker than Persian green, and bluer, lighter, and slightly strongs work of the simple than average ivy, bluer and darker than Persian green, and bluer, lighter, and slightly stronger than hemlock green 3: spruce BEE \(\) spruce \(\) (2: a variable color averaging a dark grayish green that is bluer and stronger than average ivy, bluer and darker than Persian green, and bluer, lighter, and slightly stronger than hemlock green 3: spruce BEE \(\) (2 \) (2 \) (3 \) (3 \) (3 \) (3 \) (4 \) (3 \) (5 \) (5 \) (5 \) (5 \) (5 \) (5 \) (5 \) (5 \) (5 \) (6 \) (5 \) (6 \) (7 \) (7 \) (8 \) (8 \) (9 \) (8 \) (9 \

that develops in the wood or beneath the bark of spruce trees
spruce bud midge n: a cecidomyiid fly (Rhabdophaga swaine!)
that causes bud gall on white spruce in eastern Canada
spruce bud moth. 1: the adult of the spruce budworm
2: an olethreutid moth (Zeiraphera ratzeburgiana) the larva
of which feeds on spruce buds in northern U.S. and in Canada
spruce budworm n: a caterpillar that is the larva of a totricid
moth (Choristoneura jumijerana) and feeds on the needles of
the terminal shoots of spruce, balsam fir, and other evergreen
trees in the northern U.S. and in Canada
spruce coneworm n: the larva of a phycitid moth (Dioryctria
reniculeila) that feeds on young cones of spruce in the
northeastern U.S. and eastern Canada
spruce extract n: waste sulfite liquor containing salts of
ligninsulfonic acids and purified for use chiefly in tanning
leather

leather spruce fir n [spruce fr. obs. E Spruce Prussia] n: any of several

spruce fir n [spruce fir obs. E Spruce Prussia] n; any of several spruces; isp; Norway Spruce Spruce Consworm spruce foliage worm n; Spruce consworm spruce gail aphid n; any of several aphids of the genus Adeiges that cause gails on the leaf shoots of spruce trees spruce green n; Sea Green la spruce grouse or spruce partridge n; a grows (Canachites canadensis) of the forests of northern No. America chiefly north of the U.S. whose plumage is extensively barred with black with the adult male being nearly black below spruce gum n; an oleoresinous exudation esp. from the red spruce or the black spruce used as a chewing gum or expectorant

spruce or the black spruce used as a chewing gum or expectorant

spruce-ly adv [2spruce + -ly]; in a spruce manner; NEATLY,

TRIMLY (he dressed ~ Robert Graves) (the buildings are ~
painted —Amer. Guide Series: Wash.)

spruce spider mite or spruce mite n; a dark green spiny mite

(Oligonychis'unumguis) that attacks spruce and other conifer
ous or deciduous trees in several parts of the U.S.

spruce-iness-n.es: the quality or state of being spruce (the

army leaves its marks of physical ~ —Dixon Wecter) (the

curious confusion of ~ and squalor —W.C.Brownell)

spruce oil n: a colorless to light yellow pleasant-smelling es
sential oil obtained from the needles and twigs of various

spruces and hemlocks and used chiefly in scenting soap and

cosmetics and in medicinal preparations

spruce pine n 1: any of various American pines with light

soft wood: a: a pine (Pinus glabra) of the southern U.S.
